

The Sea Trailer

June President's Message

The cooler than normal spring seemed to linger at Sea Trail and that was either good news or bad news for you as members, depending on your desire for warm weather activities. Whatever your perspective, you have to agree that the past couple of months have been visually stunning. The new hot spot (no pun intended) seems to be the Creek Side building and the expanded pool deck. Those who have used either have been very complimentary about how well the area looks and what a great place it is to meet with other homeowners.

The new date for the member's Town Hall Meeting is June 11 at 10 am in the Great Room of the Pink Palace. This is an opportunity to get updated on the budget and share ideas or get questions answered. For a couple of reasons, I ask that if you are planning to attend you go to the new sign up link on the website and let us know you are coming. There is also a place where you can submit, in advance of the meeting, questions or topics you would like to have addressed. The two reasons for asking this are we would like to have an idea of how many chairs to set up and we are using this as a test of the new web feature. Of course, anyone is invited to attend without signing up. Thanks to Lynn Wiedman for her work setting up the new sign up feature.

President's Message continued

At the May STMA Board meeting, the board voted to join the Alliance of Brunswick Property Owners Associations (ABCPOA). This is a non-partisan group of member Property Owners and Homeowners Associations throughout the county united by an interest in common issues. ABCPOA is dedicated to protecting homeowner rights and property values while assuring for safe neighborhoods and advancing an ever improving quality of life for all residents of Brunswick County. I think this will be a benefit for us at Sea Trail and the STMA's participation will also be a benefit to the ABCPOA.

Enjoy the sunshine and don't forget our fathers on June 19th. –
Gregg DeCrane

Facilities Committee Article

By the time you read this, we will have our new Creek Side building open, and all of our members enjoying our new facility. As of this writing, the spa area still has a few issues and we are working to solve them as quickly as possible. You will all be advised when it is ready to open. Hopefully it will be prior to your reading this article.

Please be aware that one of our rules for the use of all our buildings is that no food or anything else be left in the refrigerator when each function ends. This policy is one of the bullet points in the letter Jennie sends to people when they sign up for one of our buildings. It also is on the list of clean up rules on the door of the Pink Palace refrigerator. However, this rule is being ignored by some people and groups. As a result, more and more of our members are finding so many items in the refrigerator, that there is no place to put the food supplies for their function. Some members put the items out on the counters and leave them there. So starting on June 10th, which is a Friday, Darleen will clean out the refrigerators and anything left there will be discarded. Going forward, this will be done weekly from now on.

Lastly, two of our rectangle folding leg tables have apparently been borrowed from the Pink Palace. We would really appreciate their immediate return.

Rules Reminder for June

As another beautiful NC summer begins, a reminder to our owners regarding vehicles and parking. Observing the provisions contained in our Rules Handbook is the responsibility of every owner, whether a resident or a nonresident, tenant, and/or guest.

Parking and Streets:

1. There shall be no storage or parking of any mobile home, trailer (with or without wheels), motor home, tractor, truck (other than pick-up trucks), commercial vehicles of any type, camper, motorized camper or trailer, recreational vehicles, boat or other watercraft, boat trailer or any other related forms of transportation devices upon any portion of Sea Trail. The above vehicles may be temporarily parked for loading or unloading, but not to exceed 48 hours on the owner's property, without prior approval from the Master Association management.
2. No vehicle shall be parked overnight within street right-of-way.
3. Any unlicensed stripped, partially wrecked or junked vehicle or part thereof may not be visible on any property, street or street right-of-way within Sea Trail.

As always feel free to contact any member of the Rules Committee with any questions.

-- Jim Leonard, Chair of the Rules Committee

AND DON'T FORGET.

PLEASE CLEAN UP AFTER YOUR PETS.

A Note from the Communications Committee

Last month I told you the Sea Trail Directory would be late in delivery. I've since learned the reason for the delay. For those of you who are not aware, we don't pay anything for the directory because our publisher sells enough ads to cover the cost of printing, assembly, etc. If she doesn't sell enough ads, no directory. And that is what's happened. The new estimated delivery date is Tuesday, June 14. But that is only an estimate. I will know more later this month, but not in enough time before this issue of the Sea Trailer goes to press. We will let you know whenever we find out the exact date of delivery to me will be, so that we can let you know when to expect it on your doorstep. We apologize for any inconvenience this delay has caused, but right now this issue is out of our hands. *And don't forget – the latest and most updated directory info is always on line at the STMA website.*

– Donna Piatek,
Communications Chair

Sea Trailer Cats

With the arrival of the warmer weather, the volunteers who feed, trap and monitor the feral cat colony around the Pavilion and Byrd/ Jones clubhouse have a request. Please do not feed the cats. We are encouraging the cats to congregate in an out-of-the-way location for regular feedings and hopefully, to trap them. If we trap a cat that has not been altered, we take it to a local veterinary clinic where it is spayed or neutered, tested for feline leukemia and inoculated for rabies. The cat is then returned to the colony to live out a normal lifespan without the ability to reproduce offspring. When well meaning individuals feed the cats on the golf course or around the clubhouse, they migrate away from our feeding station, start to become a nuisance and, we lose the ability to monitor the health of the colony.

If you have any questions or are interested in volunteering, please feel free to send me an email, coatuek@aol.com.

Thank you.
Gayl Michael, Volunteer
Coordinator

Garden Club News

On May 10th our members gathered for the 223rd meeting of the Sea Trail Garden Club.

Michelle Lupien introduced Brandi Page who is a neo-natal nurse manager with the New Hanover Women's and Children's Hospital. Brandi spoke about the care of premature babies and how important our Sea Trail Grandma's knitted hats and gowns were to the babies and their families. There was an extensive display of the baby items and it made us proud to be involved in such a worthwhile, important endeavor.

Plans for this year's Fashion show on Tuesday, September 13th are well under way. Island Breeze, J. Huffman and Lori's Golf Shoppe will be providing outfits to models. Jerri Esposito has graciously offered to chair the Charity Auction and she still needs a couple more volunteers to help run the auction.

The program for the June Garden Club meeting will be on "Community in Schools" presented by Terri Little. At this meeting we will be collecting food items for BFA. They are in particular need of tuna, cereal and peanut butter.

Enjoy your beautiful blooming gardens!!

Garden Club Auction and Fashion Show

September is just around the corner, time to start thinking about the Garden Club Auction and Fashion Show. The success of the event is hinged on our membership. Now is the time for members to ask for donations from area businesses or to gather your purchases to be prepared for drop off.

All items need to be dropped off between now and Sept 1st.

Please call or email before dropping off items to:

Geri Esposito, 579-8028, geri.esposito@gmail.com

Pam Kvasnica, 579-6015, kvasnica@atmc.net

Sea Tails: "Life After Real Estate"

By Anita August. Photography by Leon August.

Bill Richards knew he wanted something different after a successful 24-year career in real estate. After meeting the wildly varying needs of customers buying homes in the San Diego area, he had learned to "expect the unexpected." There was no end to the unique preferences and demands of the people he helped to find properties to buy. He was growing weary of all the people challenges, and knew he was ready for a change. He had visited Sea Trail, and in 2006 he decided to leave the west coast and move to the east coast. He bought a lot, and built his retirement home on Planters Ridge Drive.

Golf » Couples Golf

The winners for our 1,2,3, Waltz Couples game on May 8th on the Byrd course were: 1st Place: Mary and Roy Cundiff and Gayl Michael and Eric Schultz; 2nd Place: Loretta and Lou DeVita and Diane and Bill Locke. The May 29th event was a mixed step aside scramble tournament on the Maples course hosted by the Cundiffs and the Masons.

Our June events are a Couples game on June 12 on the Jones course hosted by the Bartons and the Stinsons. The June 26th game is scheduled to be a mixed tournament on the Maples course; however, we do not yet have hosts for that day. If you would consider hosting this date (even if you have already hosted or are signed up to host in the future), please contact us. We would rather not cancel a date.

Mark your calendars. July 10 is the annual Member/Member tournament on the Byrd course. It will be hosted by the Bergeres and the Wilsons and promises to be a great day. So, pick your foursomes and be ready to join the fun.

The exciting news of the month is that we can now sign up on line for Couples Golf! I'm sure you all read the email from the STMA. On the left side of the Property Owners Web Site, you will see "Online Sign-Up Form". Click on that and you will see a drop down menu. Select "18 Hole Couple League" and you will get the sign-up page. Please put both names in the "Name" box and follow the directions to indicate if you are playing golf only or golf and dinner (listed as "social"). Specific information for the day (course, time, format, dinner, etc.) will still be listed on the calendar. Thursday noon is still the deadline for sign-up and cancellation. The instructions for hosts have been updated to reflect how to get the names off the electronic sign-up sheet. -- *Mike and Mary Alice Jerome*

Thank You

Thank you does not seem to be adequate enough to all of you who gave support during the past few months. The visits to Tom, the cards, the walker and well wishes were greatly appreciated as were the mass cards, food and donations in his name. Tom so loved his life here at Sea Trail and he will be greatly missed by one and all. We are truly grateful for all of the kindness so we'll simply say "Thank You" once again.

NO SOLICITATION

There is a NO SOLICITATION ordinance in the town of Sunset Beach and thus also at Sea Trail. The police have asked to be called at the time the solicitation is taking place.

About the Lady Birds

Many STLGA women are taking part in Lady Birds, a group that travels to other golf courses once a week for golf tournaments. Usually there are twelve golfers allowed per club on a given day. Golfers sign up at the Jones-Byrd clubhouse the week before. Brunswick 25 is another group in which Sea Trailers compete. It's a great way to meet other women golfers and to enjoy other courses in the area.

Golf » Heard Round the Bag Drop

We have been blessed with wonderful spring weather this past couple of months. It makes golf even more fun to play and the courses have been filled with members and lots of guests. As we move into late May and early June, tee times should be easier to get. The greens have recently been punched to get them in shape for the summer ahead. Enjoy all of our three courses and this great weather.

The annual Charm Tournament was held on Mon. April 25 and Wed. April 27. This two-day tournament was won by Lyn Costner who will be presented with a gold seahorse charm. Jo Larson was second and she will receive a silver seahorse charm. On the second day of the tournament, Marge Layden got an eagle on the fourteenth hole of the Byrd. An eagle is considered one of the most difficult shots in golf, second only to the albatross. Marge used her driver followed by her seven wood. The ball rolled across the green, hit the pin and dropped in. Congratulations go to Lyn, Jo, and Marge for a great tournament.

In June STLGA holds its annual Member-Guest Tournament on June 22nd. There will be a social for members and guests on Tuesday night the 21st. Mulligans can be purchased that night and also the next morning at check in. The Tournament chairperson is Joan Mason and the theme of the tournament is Red, White, and Blue. There will be a shotgun start at 9 am. STLGA members look forward to this tournament as it is a great time to reminisce with old friends and meet new friends.

The annual Hope Harbor Tournament will be played at the Panther's Run course at Ocean Ridge on August 13th. This tournament benefits the Hope Harbor Home, a shelter for abused women and their children. There is a sign-up sheet in the Jones Byrd Clubhouse if you would like to play. It is a fun tournament with lots of great door prizes. Carrie Wiles and Jan Bohlinger are coordinating the tournament and also looking for donations of door prizes and/or hole sponsors.

Thanks to Loretta DeVita and Virginia Foulds for doing the pairings in May. Lyn James and Sandy Reynolds will do the June pairings.

A new order of the STLGA logo shirts will be sent in the next couple of weeks. Go to the STLGA blog and download the order form. The blog is www.STLGA.blogspot.com. Happy golfing and leave a few birdies out there for your STLGA friends.

SEA TRAIL PRAYER SUPPORT CIRCLE

Morning Prayer:

In the stillness of the morning, I can hear the songbirds sing, warbling joyously in chorus, praises to their Master bring.

So delightful is their music, makes me want to sing along - - won't you join the morning choir? - say your prayers of thankfulness, and giving of your praise and love - which all to Him belong.

God's Peace,
Sea Trail Prayer Support Circle

Non-Denominational Bible Studies (NBS)

As I write this today, May 22 2011, there has been much talk this past week about the Judgement Day which was predicted to have been yesterday.

The Bible tells us that we will not know the day or hour when Christ will return but all we need to remember and to do is to be ready for it.

In Matthew chapter 24 Jesus tells us what to expect before His return and to be watchful. In chapter 25 He tells us how to live until then. In Luke chapter 12, verses 35-48 Jesus gives us a warning to be ready for His coming and in chapter 13 verses 1-9 He calls us to repent of our sins.

We are not without warning. Jesus lovingly encourages us with His Word.

Come and join one of the Bible Study groups currently meeting in Seatrail and be encouraged by God's Word to us, and find rest in knowing that He has a plan.

Call Ann Otten @ 579-5239 for information about the days and evenings and the times and where the different groups are meeting. You are invited to join with a group convenient for you.
