

The Sea Trailer

October President's Message

There have been many positive events and accomplishments over the past month that have been overshadowed by the legal situation facing the Sea Trail Corporation. As I have stated in what have become almost weekly emails, the Master Association will keep you posted as we get verifiable information pertaining to the corporation's status.

At its September 21 meeting, the Master Association Board approved the 2012 budget. John Rothermel and his committee of Jim Hunt and Bob Miller did an extensive analysis of past expenditures and combined that knowledge with the requests from the various committees to fashion a budget that will meet our needs without any new assessments or increase in the yearly dues. This budget will be presented at the November 5th Annual Members' Meeting. Information on this meeting should be in your hands this week.

On September 22, over 50 members were able to receive flu vaccines on site in the Multi Purpose room of the Creek Side Building. This will hopefully be the first of many cooperative programs between the Master Association and the Brunswick County Health Department. A special thanks

President's Message continued

goes out to Dee Horgan of the Health and Safety Committee for assisting all day with the flu vaccination. The Health and Safety Committee and the Roads and Maintenance Committee were both approved as standing committees at the September board meeting. Roads and Maintenance has already made an impact by working with the town to get a major road pot hole repaired on Kings Trail.

Numbers from the Access Committee continue to show that our amenities are being used by large numbers of people. You can look at the calendars at the end of this newsletter and see the extent of the involvement of our members. Up-to-date calendars are always available on the website as well. Speaking of the website, you can now bring up the members' in the directory by first name, last name, street, and email.

Enjoy what many people feel is one of the most pleasant months of the year as the temperatures get more moderate and the trees begin to show their colors.– *Gregg DeCrane*

Garden Club Auction Committee

The Garden Club Auction Committee would like to extend a sincere thank you to the members for donating, obtaining or making items for the charity auction. There were 95 items to preview in addition to the 16 silent auction pieces. The attendees were in awe of the vast array of items-tickets were selling fast!

Once again the garden club members and the local area merchants proved to be most generous. The event will enable us to provide for the local charities the Garden Club supports.

Sincerely, The Auction Committee

From the Rules Committee: Community-Wide Standards

This month the Rules Committee would once again like to bring attention to the maintenance requirements, referred to as the Community-Wide Standards, and defined in the Master Declaration of Protective Covenants and Easements for Sea Trail. The Rules Committee has received several reports of non-compliance during the past year regarding landscape maintenance concerns throughout the community. Note that the Community-Wide Standards apply to all property owners including all sub-associations. The standards follow:

1. Major yard areas are to be continually covered with grass or an acceptable mulch, more specifically defined as an earth tone, shredded, hardwood product or pine straw.
2. Grass shall be maintained so that it does not grow higher than eight (8) inches between cuttings.
3. Mulched yards must be refreshed at a minimum of a yearly basis.
4. Trees, shrubs and all plantings as well as grass/yard cover are to be maintained to enhance the appearance of the dwelling.
5. Weeds, especially in mulched yards, require treatment so they do not detract from the intended natural look of the yard. Leaves and other yard debris need to be raked and/or removed on a seasonal basis, not being left to blow on the street or on other homeowners' properties.

In addition, it is the responsibility of all property owners to prevent the accumulation of trash, debris, and/or unsightly litter that will detract from the cleanliness and beauty of the community.

It is stipulated that all vacant lots or parcels shall be well maintained with no unattractive growth, fallen trees, heavy logs or the accumulation of rubbish or debris, some of which may impede bush hogging and/or may encroach on adjoining properties. These lots/parcels will be bush hogged at least twice each year, once in the spring and once in the fall. This is in accordance with Sunset Beach Town Ordinance 93.01.

For complete official text of the above information, see the Rules Handbook on the STMA website and the section on Property Maintenance. As always if you have any questions please contact a member of the Rules Committee.

While still competing with concerts, we had a good turnout for the return of TGIF on the first Friday of September. And how nice that we got to celebrate the birthdays of the two hostesses, Dian Robbins and Ellen Belford, at our second TGIF.

Our hosts for October are:

October 7 – Joyce and Wayne Hellmann
Lucy and Tony Imondi

October 21 - Carol and Bob Aspy
Kay and John Roberts

So bring an appetizer to share and your drink of choice and come join us for a really nice socializing, relaxing evening at the Pink Palace. We meet at 6:00 pm and leave around 7:30 pm or shortly after. Look forward to seeing old residents and some new ones who haven't been to a TGIF yet. So mark your calendar and we'll see you there.-- *John and Jo Ann Barton*

Sunset Cyclists

Cycling is enabling many Sea Trail residents to make new friends in nearby communities. Cool weather on September 24th and an opportunity to meet fellow cyclists in St. James brought out approximately 48 cyclists from Sea Trail, St. James and Waterford. We had a delightful ride through the beautiful St. James development followed by a delicious lunch on the harbor at Tommy Thompson's Restaurant in St. James.

Our Man of the Moment is Roy Cunduff who completed the 50 mile MS Breakaway to the Beach Ride. I don't know any 20 year olds who can accomplish cycling 50 miles. Congratulations, Roy. Many thanks to Allen Doolittle, Danny Davis, Annie Roberts, Bill Richards, Gary and Sue Landon, Cherle and John Rothermel, Dave and Kathy Cyrulik, Diane Kreuzberg, and Dick and Katie Bodner for volunteering to cheer the arriving cyclists as they approached the beach and for hosting the beach rest stop. Our community's volunteer support and our beautiful area have again delighted the cyclists and the MS organization so that the approximately 1500 cyclists and support staff will return next year.

Upcoming events:

- October 1st – we will have a booth at the town's *Sunset at Sunset Community Block Party* (in front of the Planetarium starting at 10 am). Stop by to learn about our club. We will have free children's handouts.
- October 8th – we will support and join the *Wounded Warriors* in Winding River for a bike ride.
- October 14th – 16th – we will experience the *Fall for Greenville* festivities and enjoy their beautiful town, restaurants, and wonderful and safe bike trails.
- October 23rd – we will celebrate the completion of our second year as a club with a party at the Pink Palace beginning at 5:30 p.m with appetizers and dinner at 6:00 p.m. The main course will be provided by La Cucina. The cost is \$14/person. Make your check payable to *Sunset Cyclists* and mail or deliver it to Annie Roberts, 526 Fairway Drive West, Sunset Beach, NC 28468.

To join our club or take a trial ride, email Charlene Doolittle at chardoo@atmc.net. Beginning in October, we will meet at **11:00 a.m.** for local rides at the parking lot across from the Maples Clubhouse. Our meetings are now quarterly instead of monthly. Next meeting: Nov 15th at 10:15 a.m. @ Maples Activity Center, 239 Clubhouse Road.

Thank You...

To all the volunteers who made the new "extension" of the Pink Palace, the Creek Side Building, possible! You deserve recognition for a job that probably took more time than you expected. The end result, however, is a commendable job well-done.

We truly have a group of responsible and resourceful, dedicated volunteers, whose contributions help keep Sea Trail property owners' annual fees down to (by far) the lowest of any of the communities in this area. These volunteers are truly the unsung heroes of Sea Trail.

A special note of thanks to Day Kreuzberg – he was on top of things when kitchen sink at the Pink Palace got stopped up, finding a plunger and fixing the problem. -- Anita & Leon August

Thank You

A heartfelt thank you to friends and neighbors who called, sent cards, and brought food during my recuperation. It lifted my spirits. A special thank you to those who are sick themselves, yet, extended their concern, and to the Mighty Mites. God bless you. -- Martha Lafferty

Garden Club MIBI

Mark your calendars for the Sea Trail Garden Club's "MAKE IT, BAKE IT, SEW IT, GROW IT" Tuesday, DECEMBER 6. We invite you to begin planning dynamic items to donate such as baked, sewn, crafted or purchased. The funds from our "MIBI" Auction will help fund clothes for 19 Brunswick County charities. These charities use our contributions to positively enhance the lives of our community. Schedule December 6 for this fun and rewarding day!

Thank You

I want to express my sincere appreciation to my friends and neighbors for all the care and good wishes shown me during and after my recent surgery. I have lived here in Sea Trail for almost 20 years and it is the best decision Dave and I ever made. Thank you for lifting my spirits, it certainly helped in my speedy recovery. May God Bless all of you.

-- Becky Brown

Garden Club News

The annual Garden Club Fashion Show and Charity Auction was held on September 13th and a great time was had by all! Twenty of our members modeled fabulous outfits from Lori's Golf Shoppe, J Huffman and Island Breeze. The outfits included casual, golf and dressy and the models dazzled the audience. Meanwhile handsome men poured wine and the charity auction drew many bidders. Overall the Fashion show, lunch and the charity auction was a huge success raising nearly \$4,800.00 which will go to our Brunswick County charities.

Our October meeting will feature Janie Withers, director of Paws-Ability who will provide us an overview of this organization.

Enjoy the cooler weather!! – Pam Fisher, Secretary

Sea Trail Prayer Support Circle

The golden days of October are coming as a blessing to those of us who feel a bit wilted by the heat of summer. Seeing the changing colors, hearing the crunch of the leaves as we walk along, and then that old familiar smell of wood smoke in the air that goes with the Autumn season, all reminding us of changes around us - even our choice of clothing! We are now entering what is known as 'sweater weather'!

One thing we do not want to change is our habit of a morning prayer as we start each day. For those of you who have read the Mitford series, you will remember Fr. Tim's short prayer as he started each day. "Dear Lord, help me be a Blessing to someone today!" Will you join us in saying that prayer in the morning? You may be surprised at the opportunities around you.

Non-Denominational Bible Studies

In the Book of John, beginning in chapter 14: verse 15, Jesus promises to send the Holy Spirit to His disciples once He is gone. He calls the Holy Spirit "Counselor" in vs16 and the "Spirit of Truth" in vs17. He tells them in vs18 "I will not leave you as orphans. I will come to you". Jesus Himself ascended into heaven but He sent His Holy Spirit to live in the hearts of His believers. This is to have Jesus, Himself living in our hearts.

The Book of John gives us a personal and powerful look at Jesus Christ, the eternal Son of God.

We are planning to start another Bible Study Group for those new to studying the Bible. All that one needs to believe to attend this group is that the Bible may be a book worth studying or learning more about.

Anyone interested in learning more about this new group or desiring information about the existing groups call Ann Otten @ 579-5239.

Honorees Selected at Sugar Sands

Open/Block Party

The Sugar Sands Open/Block Party Picnic was held Saturday, September 10, with over 40 folks participating in the festivities. The golf event was a captain's choice for 9 and 18-hole golfers followed by a great selection of food and camaraderie at the Pink Palace. It was so good to get together with our neighbors, old and new and share the fellowship that is unique to Sugar Sands. The committee, consisting of Bill and Gail Miller, Joan and Rick Lockhart, Bill and Paula Jones and Brian and Kathy Blaine did an outstanding job organizing this event.

Our committee started what we would hope to be an annual tradition that is, recognizing and remembering couples or individuals who have had an active presence and affection for our community. This year's honorees are: Ed and Jody Hughes, Jim and Marie Blanda and Guy and Heni Moulton.

It won't be necessary to change the sign on the STLGA parking spot that is reserved for the Club Champion since Joan Mason successfully defended her title. The Club Championship was held on August 22, 23 and 25, each day on a different course. Runner-up was Marti Kennedy. With great weather and a superb luncheon to cap off the tournament, all the participants played their hardest while enjoying the company of good friends. Congratulations to Joan and Marti.

On September 14th and 15th, the annual two member-member tournament was held on the Byrd and Maples courses. The format was nine holes of Captain's Choice, Aggregate, Better Ball, and Alternate Shot. Overall winners were JoAnn Barton and Mary Alice Jerome whose two day total was 157.25. Nancy Hanania and Pat Lupi took second with 159.25.

Following play on the 15th, a business meeting was held with over 80 members attending. The meeting was led by President Pat Sutton. Lynn James explained the handicap changes for members choosing to play the teal tees, also known as the Founder's Tees. The By-Law committee reported that no changes were needed at this time. Barbara Glenning will audit STLGA records for 2011. The Nominating Committee presented the slate of officers: President – JoAnn Barton, Vice President, Madeline Dubas, Pam Fisher, secretary – Flo Hill, treasurer- Sharon Markatos and member at large, Mary Alice Jerome. The election will be held at the next STLGA meeting on Nov. 1st at the Jones-Byrd Clubhouse. This is our annual meeting where prizes will be awarded. A canned goods collection will also take place at this meeting.

Our annual Halloween Tournament will be held on October 26th. Joanna Brawley and Diane Scheck are the tournament chairs. The event is hosted by STLGA and members of STMGA are invited to play. This tournament is one of our best events and it gets a great turn out of members from both groups. Following play which begins with a 9 AM shotgun start, there will be a luncheon at the Jones- Byrd Clubhouse.

Hints of autumn weather are beginning to be noticed around Sea Trail. It's a great time for golf so sign up for STLGA golf on Wednesdays. You'll be glad you did.

Sea Tails: Rick Kaplan & His Canine Angels

By Anita August. Photography by Leon August.

In last month's Sea Trailer, we featured Jane Lanzillo and her wonderful story of rescuing Gabe from "the pound," on what was to be his last day of life. Jane and her son, John, worked hard with Gabe to help him regain his health and learn the skills essential for him to live happily among humans. Part of their success with Gabe was thanks to working with Rick Kaplan, founder of Canine Angels, and our own local "Dog Whisperer."

You may have already seen Rick and his team of Canine Angels. They are frequently seeking donations outside of Lowe's Foods, WalMart, or BassPro. The dogs are wearing "Service Animal" vests, and Rick will happily talk to all who stop about the work of his non-profit organization. Article continued on Sea Trail website:

Our Fall Member/Member Tournament was held September 15 on the back of the Byrd. Even though some of us hadn't played much this summer, when you pick the right partner and you compliment each other's game you may get lucky. That was the case with the 1st place team of Peg Oleson and Anita Clark (net score of 29). 2nd place: Barbara Kuhler and Cathy Myersohn (score of 32); 3rd place: Inger Dickson and Ellen Hartlage (score of 33). Congratulations to all the winners.

Our Club Championship will be held October 4th on the Maples and October 6th on the Byrd. This is for the special parking space and bragging rights! You must have played a minimum of 5 league days to qualify since last year's championship. If you have not already signed up you may be too late, call Jane McGee (579-3549) immediately. Our Consolation Tournament will be held October 20 on the Maples. This is for all the "Losers"!! Come on out and enjoy the cool fall weather and the wonderful companionship of your fellow golfers.

Mark your calendars for our Awards and Election of Officers Luncheon on November 2 and Christmas Luncheon on December 2. Send luncheon checks of \$7.00 for November to Diane Kreuzburg. More information about the Christmas Luncheon will be in the November Sea Trailer.

Pairings for October: Barbara Bashaw (579 2990) and Pat Steinke (579 9284). Sign up on line or at the J/B Clubhouse by Monday Noon. If you don't have a computer, put your phone number next to your name on the signup sheet. If you have to cancel, call the clubhouse and Barbara or Pat.

Slick Chicks is a great way to practice before league day. Those wishing to play are to email or call Susan Hartsburg (579-4466) by Saturday Noon. We play every Tuesday and if changes need to be made after you have signed up contact Susan. -- Anita Clark/Publicity
