

On October 6, Brunswick Family Assistance (BFA) officers presented plaques recognizing and thanking the Sea Trail Golf Resort and its residents for their donation of almost 25,000 pounds of food for the needy citizens of Brunswick County. During the 2011 golf season, Sea Trail offered golfers a discount on greens fees at the Maples, Byrd and Jones courses if golfers donated with at least three cans of food. Each week, Sea Trail employee John Apsaga loaded and

delivered, without compensation or reimbursement, the food to the BFA food pantry at The Twin Creeks Plaza on Main Street in Shallotte. Thank you, on behalf of the needy citizens of Brunswick County, to Sea Trail, John, and all who supported this program.
