

STMGA GOLD TEE POLICY

Effective April 1, 2011, the STMGA policy to move to or from the gold tees is as follows:

- 1. A STMGA member may, at his discretion, elect to move to the gold tees for STMGA events and have his handicap calculated from the gold tees on the STMGA handicap list.*
- 2. A player may make **one** move (either to the gold tees or return to the white tees) in any STMGA membership year which is from Oct.1 to Sept. 30.*
- 3. A player must request a change in writing or via email to the STMGA handicap chairman. The change will become effective with the next publication of STMGA handicaps.*
- 4. A player incurring a disability which might cause him to temporarily move to the gold tees, **may submit a request to the STMGA Handicap Committee for approval at any time. He will not be subject to #2 above.***

Note: this policy in no way should be interpreted as a dictate on which tees a player plays from in non-STMGA events. That decision is up to the player and the group he is playing with.
