Ralph noted that we now have a lock box securely attached to the computer desk in the J/B for depositing payments to STMGA. Envelopes are provided for cash. Please write NAME, AMOUNT and EVENT on envelope. Checks DO NOT require an envelope. PLEASE get payments in BEFORE the sign up deadline.

Handicap Committee: The committee will assess the handicap allocations for the Gold Tees and report results after approval by the STMGA Board.

Bill Locke reported on a meeting with E Pratt and T Plankers regarding the lack of Tee Times for member groups. He was told that NO Tee Times are blocked. Outside players pay ahead of time and no refunds are made for no shows. Rain

checks are issued for bad weather only to those who show up. There was much discussion with no real conclusions.

Marv Peters noted work done in the past to get blocked times for members in the form of one course per day reserved for members and then opened up for open play some set time before. We also need to see what Sea Trail plans to do for the members after the high season for sacrifices during the season.

Bill Locke, following a proposal and second, agreed to appoint a committee to assess the Tee Time situation and formulate a proposal for presentation to Sea Trail.
