PLEDGE OF ALLEGIANCE

New STMGA President introduced the officers for the 2010 – 2011 year.

Ralph Gardner thanked Don Evans and John Goodrich for doing a great job on the BFA Tournament.

Thanks also to John Lupi, George Scheidle, Bob Perna, Bob Gardner and Vince Brown for doing a great job with the food.

Wayne Hellmann spoke to the misconception that STMGA has a lot of money. He noted that the large balance comes from a previous practice of including early dues collected for the next year in the year end balance. When this is not included STMGA has only about \$3,000 and this balance is going down because of freebies such as monthly food and subsidies for STMGA clothing. He also noted that STMGA is currently down 21 members from last year.

Wayne Hellmann as a BFA representative thanked all for the great tournament and all the donations. He went on to tell some of the things that the money is used for such as:

1600 children's summer breakfast and lunch	\$38,000
Emergency Food Pantry serving 6,570	146,709 Lbs
527 Christmas program includes food basket	
Utilities aid serving 1512	\$94,813
Farm surplus food distribution serving 4,909
